HARDINSBURG.

May 30,-The District Conference of the Elizabethtown District of the M. E. Church South convened at this place Wednesday, May 25th. The doors of the town were thrown wide open, the ministers and risitors warmly welcomed. The following ministers were present, viz.: J. L. Elington, G. S. King, R. C. Alexander, W. C. Hayes, B. F. Cundiff, T. L. Crandell, R.B.Campbell, S. P.Styles, A. G. Fraser, L. W. Browder, C. Y. Smith, L. M. Russell, J. B. Galioway. Visiting ministers: H. C. Sentle, Louisville; Hanson Browder, of the Logan county Female College: J. F. Bedford, of the Nashville Pub ent, were Mrs. Dr. Smith, of Clovers publicans of this county. port; Mr. and Mrs. Abe Morris, Etta Robinson, of Big Spring; Mrs. Dr. Whitehead and Mrs. Alfred Eskridge, of Vine Grove: Mrs. Brewer, of Louisville; Mr. and Mrs. Geo. Stone and W. H. Gardiner, of Leitehfield and Mrs, Malen, of Brandenburg. Wednesday evening was devoted to the District Sunday School Convention. Thursday evening, the subject of a training school for this District, discussed. The Presiding Elder stated that he desired to raise one thousand dollars for that purpose. Kev. H. C. Seatle was then introduced and, spoke in behalf of an educated ministery. He then proceeded to lift a col lection for the training school, which is to be established at Elkton, Ky. The Presiding Elder put his name down for one hundred dollars. This was all, however, that was given. No ope would take hold. It was then decided that the matter would be agitated privately.

Friday evening was devoted to the Womens Foreign Missionary Society. The address of welcome was given by Mrs. Charles Beard. It was responded to by Mrs. Dr. Whitehead, of Vine Grove. Her paper was one of the best we ever heard read, an address was also made by Miss Lula Daniel. Report was then given by Delegate from the Society througout the District. These reports were highly satisfactory to the Conference.

Saturday was devoted to reports from the minutes and committees. Saturday evening the temperence question was discussed. Resolutions condemning the rum traffic were offered and adopted. These resolutions spoke in strong terms. They gave no uncertain sound. The minutes remained over Sunday.

There was preaching Sunday morning at the M. E. Church and the M. E. Church, South. Rev. G. S. King filled his regular appointment at M. E. Church and delivered the most powerful sermon that was delivered during the Conference. Bro. King by his one sermon endeared himself to the hearts of this people. His cougregation was affected to tears; at the close of this sermon he was greeted by all the christians present with a hearty shake of the hand. Sunday evening the Presiding Elder preached and administered the sacrament,

On Saturday, May the 25th the G. O. P. was down in the mouth. A call had been issued for a Mass Convention on that day to nominate candidates for county officers. The call not, Let the years of uninterrupted was not responded to, and there was success and the tens of thousands of only a corporal guard present. It is not surprising that this was the case. The Republican party in the county Prescription on the side of the comhas no organization at all. It is true it has an Executive Committee, a there isn't a state or territory, no-nor Chairman and Secretary, but none of hardly a country in the world, weththem take the proper interest in the er its people realize it or not, but welfare of the party. The Committee, especially are derelict in their duty. Another thing that has weakened the party is the disposition of a great many Republicans to pander to the Wheeler element. They urge that it is useless for the Republican party to make an effort, because it cannot suc-

The railroad treated us shamefully. We made a dismal failure on our gas well, and now to miss the show is too much. To use the fickle expression of the unfortunate Mr. Macawber. "We are floored."

They say that if we let the Democrats and Wheelers fight it out that it will cause a split and discension ie party. This arrangement, however, is without reason, as has proven the detailed to the business. Spare moments by past events. Such a policy as this in towns and cities. B. F. A life-long friendship, bound still closer by natural ties; a daily asso ciation with him in some of his efforts for the treasures of knowledge; and a later friendship to which was confided much of his future hopes, and expectations, enables me to say that in his untimely death, a mother mourns a most loving and tender son, his companions a true and unalterhis country one who aspired to be one of her bravest and most useful citizens.
